CIVILIAN RESERVE PROGRAM

The Civilian Reserve Program as outlined [] will be discontinued effective 1 June 1972 owing to a lack of Agency-wide interest. A similar program, however, will remain in effect in the Clandestine Service, where interest continues. The Clandestine Service will establish and maintain a roster of its reservists. The roster may include Agency personnel who served in directorates other than the Plans Directorate. All current reservists who will not participate in the Clandestine Service program will be notified individually by the Director of Personnel that the Agency-wide program has been discontinued.
